Product Data Sheet

Product: BOSTEX SMO

Description: An aqueous solution of Sulfated Methyl Oleate.

Specifications:

Appearance:	Clear, Amber Liquid
pH :	6.5 - 7.5
% Active Sulfated Methyl Oleate :	27.0% - 33.0%
% Chlorides :	0.0% - 2.5%
Acid Value :	0.0 - 10.0

Storage and Handling: Store material in a cool, dry place. Protect from freezing. Contents should be adequately stirred before using to insure that the liquid is thoroughly mixed and uniform. If a container is opened and only partially used, insure that the container lid is properly closed and secured to prevent contamination and minimize evaporation. Stock should be used on a first in-first out basis. Shelf life of the material is expected to be 1 year from date of manufacture.
